Acci-Flex Accidental Death Benefit Insurance and Disability Rider

LifeScape®

What's your most valuable asset?

It's not your car or your house... it's **your income!**

If you are injured by an accident and cannot work, what happens to your income? What if you die prematurely?

Your paycheck may stop, but the mortgage, car, and credit card payments do not.

Can you or your family afford to be without your paycheck?

Acci-Flex is accidental death insurance, where the benefit is paid directly to beneficiaries if the death is the result of an accident.

Acci-Flex protects you 24 hours a day, seven days a week, on or off the job.

Affordable monthly premiums

For around \$30 per month, you can receive \$200,000 in accidental death coverage.*

That cost includes a \$1,500 monthly disability benefit rider, which covers you if you become totally disabled from an accident! Take a look at these sample rates:

\$200,000 Accidental Death Benefit \$1,500 Accident-Only Disability Income Rider Cost per month				
	Age 25	Age 35	Age 45	Age 55
Male	\$31.22	\$28.12	\$26.99	\$29.57
Female	\$21.90	\$22.97	\$25.06	\$29.11

Riders provide more benefits

Available at an additional cost, these optional riders can add more value to your policy.

In case of a disability...

When an injury leaves you unable to work, the loss of your income can quickly drain savings, while adding to an already stressful situation. The **Accidental Disability Income Rider** is an affordable way to secure an income if you suffer a total disability caused by an accident. You may qualify for a monthly benefit of up to 60 percent of your gross monthly income (maximum \$1,800 monthly**). ADR benefits begin after 90 days of total disability and continue for up to two years while you are totally disabled.

A money back option!

If you choose the **Return of Premium Rider** and your policy is still in force when you turn age 75, or if you terminate the policy early, the premiums you paid, minus any benefits paid, will be given back to you!***

Nobody wants to think an accident could happen, but if it does, Acci-Flex can help.
